

ABOUT THIS UNIQUE WEBSITE

IT REPRESENTS A PURPOSE AND A CAUSE

i-Creation from i-Ration By DJ Empress Anjahla a webstore with a purpose and a cause to help abolish book famine in Africa. This web store specializes in Tie and Dye custom orders, a unique brand for the trinity of men ,women and children. i-creation from i-ration also has some unique African wholesale wrap dresses with an adjustable waist belt that can fit from sizes 00 to 2X, with meaningful fabric of African history. Your purchase not only provides you with unique clothing, but it also contributes to buying books and sending books to children in Africa.

What great way help raise funds for this occasion, as books are heavy and cost money to ship to Africa from America. This site also encourages reading on each page. You can participate in a great cause for the children in Africa who needs books. You also purchase a garment of special royalty fabric from the African culture by purchasing a product provided to you by this site. You are always free to send the books on your own to Africa. this is not an obligation to buy anything . This is a special project to get books for children across the world.
